*I met an old man who was
small and bent. He thought
I'm a robber. He said that
he has nothing.*

I don't know what to do.

why this happened?

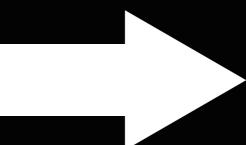

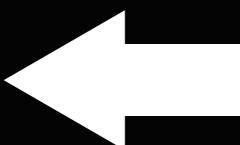

May 9, 2024

*I didn't know there are
some sellers out there.*

I lost \$ 15... I was sad.

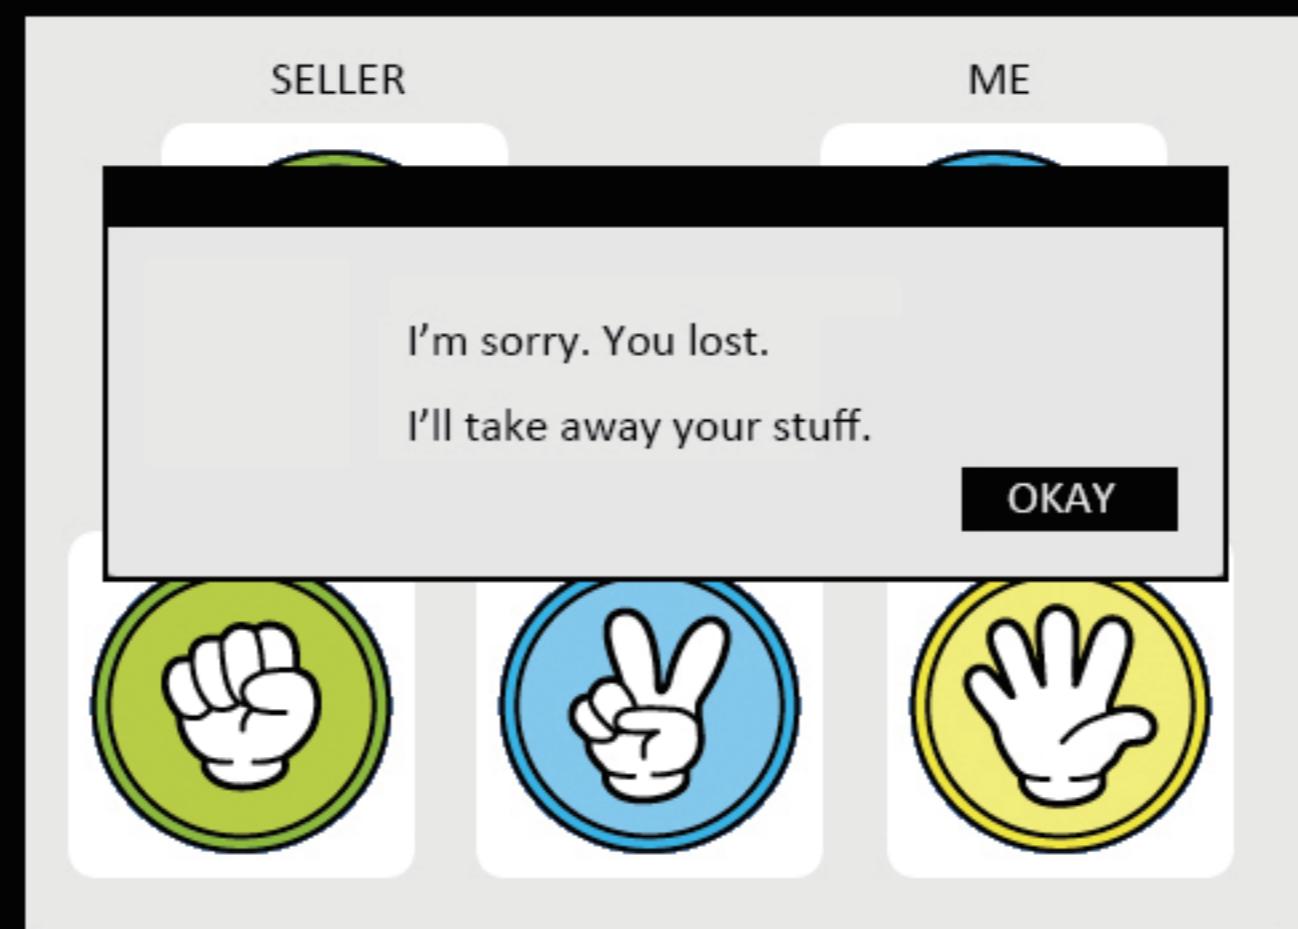

P.S. I will try again later.

My only amusement for my life is getting a food.

There are some sellers on the road who give us food if we win from rock paper and scissor game.

I have to bet something that is valuable.

He looked so scary...
